1/4 Under - Tidbits 2

- The Spring Tournament takes place every March. The third year students are considered graduates so only first and second years will compete. The qualifying schools are the winner and the runner-up of the Prefecturals.

A Group Match tournament format consists of 3 Singles and 2 Doubles, with S1, D1, S2, D2, S3 repectively. There are pure Singles and Doubles too but that's another story.

- The last time when Ide was in first year, Saseko Shun kun's Shouga School from Kanagawa was the champion (Kyaa). From Tokyo, we had Takatsu Heita's Horikawa Academy. From Osaka, it was Asano Takumi's Seinan. These were the best 4.

- As for Chiba, the representative was Makuhari, with Nakahara as the captain. Well, not Makunogama. Where were Takita and Ide?

I love pink. When I was in primary school, I dressed all in pink, pink dress, pink shoes, pink pinafore, and pink coat.

AAll my fake jewellery was pink too. And I would even pick pink bags I thought they were super cute.

Later on, I tried to curve my obsession and avoided buying pink clothes and pink accessories.

Then one day, someone said to me.

"Pink is the color that indicates sexual arousal."
